Jason –

Thank you for your message and the information you provided. We are looking forward to Congressman Amodei's visit to the Region IX office. Please let him know that I will meet him in the building lobby and escort him to the meeting with our Acting Regional Administrator Alexis Strauss. I am copying some of my Region IX colleagues to make them aware of the Congressman's interests. Thanks again.

Hi Brent,

I'd be glad to answer. The Congressman will be travelling by himself, and in addition to wanting a general progress update on the Anaconda Mine Site and the Eureka clean-up, he wants to discuss the recent fine of the Moana Nursery in Reno that we received a press release on yesterday. On the national level we've been engaged on various issues, but I don't expect him to mention any of those. If anything changes I'll try to give you sufficient notice, but I expect the majority of the conversation to focus on those three topics.

Thanks,

Jason

Rachel –

Just a quick note to see whether you or Jason have any additional topics of interest that Congressman Amodei may wish to discuss with our Acting Regional Administrator Alexis Strauss when he visits our office on Thursday, June 2nd at 10:00am. Also, I have pre-registered Congressman Amodei with our building security to help expedite his visitor processing. Do you happen to know if anyone else from his staff will be accompanying Congressman Amodei so I can add them to the building security pre-registration list. Please let Congressman Amodei know that I will meet him in the building lobby on Thursday, June 2nd at 10:00am. If you or the Congressman need to reach me with for any last minute updates, please give me a call on my cell phone at 707.322.6969.

We are anticipating that Congressman Amodei would like to get an update on the Anaconda/Yerington Mine Site and perhaps Eureka Smelters. **Please let us know if there are other issues of interest that the Congressman would like updates on, so that we can be sure to be prepared to discuss any other issues of interest.** Thanks, and we look forward to welcoming Congressman Amodei to our Regional Office.

Rachel -

In addition to Acting Regional Administrator Alexis Strauss, I believe our Chief of Staff, Jessica Kao and the Director of our Superfund Division, Enrique Manzanilla, and

perhaps a few of his Superfund management team who oversee Superfund Sites in the Congressman's District will also be participating. I will provide you with a complete list of meeting attendees and their titles in advance of the meeting. Thank you for confirming that **10:00am on Thursday, June 2nd** will work for the Congressman. I would imagine that Congressman Amodei would like to get an update on the Anaconda/Yerington Mine Site and perhaps Eureka Smelters. Please let us know if there are other issues of interest that the Congressman would like updates on, so that we can be sure to be prepared to discuss any other issues of interest.

Rachel –

Just a quick note to follow up on my message of yesterday regarding a scheduling request for Congressman Mark Amodei. Please see my message below with details on the availability of our Acting Regional Administrator Alexis Strauss when both she and managers in our Superfund Division would be available at either **10:00am – 11:00am or from 2:00pm – 3:00pm on Thursday, June 2nd**.

Please let us know if one of those two windows of time will work for the Congressman's schedule while he is in San Francisco. I look forward to hearing back from you to confirm a time that works.
